

Learning Resources Overview

SunEd High provides our enrolled students and faculty a number of valuable online resources to enhance and support quality teaching, learning, and testing prep. Our students and faculty are able to use these resources to fulfill many of their curriculum needs, which ultimately helps our student's successfully graduating high school.

We encourage you to review this page, which provides an overview of these resources that students and faculty can access as part of their enrollment benefits in SunEd High.

For credit-deficient students, digital curriculum that personalizes learning can be the difference between dropping out and earning a high school diploma. Our Comprehensive Courses provide students who have not been successful in their studies the opportunity to get back on track to graduation.

Alternative Programs

Offer students in non-traditional programs the opportunity to earn the credits required for graduation.

Credit Recovery

Provide each student the opportunity to focus on exactly what he or she needs to master to recover credits.

Dropout Prevention

Motivate at-risk students to stay in school.

Dropout Recovery

Encourage dropouts to re-engage with programs suited to both their learning and life needs.

HMH READ 180

If we want to change what students are capable of reading, we must also change how students read and why students read. To do this requires a comprehensive approach to reading instruction. Read 180 begins with an assessment that measures a student's reading capacity as well as his or her reading efficiency and motivation for reading. This

allows for personalized and dynamically adjusted instruction that encourages independence, broadens interests, and builds knowledge. Educators easily monitor progress while using the integrated messaging tool to stay in dialogue with students as they experience the success of meeting individualized goals.

Read 180 simultaneously develops all three domains of reading—physical, cognitive, and emotional—by integrating them in one personalized online reading program. Rooted in eight decades of research, Reading Plus is proven to increase achievement in students from elementary grades through college.

Read 180 opens the gateway to discovering reading as a source of knowledge, insight, and joy. The result is not just a better reader, but a lifelong reader.

Loved by over 24,000 schools, Study Island supports skill practice and super charges growth. Marzano research has validated that students who use Study Island for just 30 minutes a week far out perform those that do not use Study Island. And, Study Island gives you the tools to monitor your students' performance every step of the way so you can track standards proficiency.

Study Island offers over 600,000 unique items, including more than 10,000 technology-enhanced items, giving teachers the depth needed to continuously engage, assess, and monitor progress.

The Florida Assessment of Student Thinking (FAST)

Beginning with the 2022–23 school year, Florida's statewide, standardized assessments in Reading, Writing, and Mathematics will be aligned with the Benchmarks for Excellent Student Thinking (B.E.S.T.). The Florida Assessment of Student Thinking (FAST), which includes VPK through grade 10 Reading and VPK through grade 8 Mathematics assessments, will be administered as a progress monitoring assessment, which students will participate in three times per year. B.E.S.T. assessments that are not part of the FAST progress monitoring program include grades 4–10 Writing and end-of-course (EOC) assessments in Algebra 1 and Geometry.

FLORIDA STATEWIDE ASSESSMENT PROGRAM

2024–2025 SCHEDULE*

The testing windows below denote the amount of time provided for districts and schools to select test administration days; they do not represent the amount of time students spend taking the assessments. The windows are established to provide maximum flexibility to efficiently deliver these important measurements of student progress and performance and maximize student learning and instructional time.

| Dates* | Assessment |
|-----------------------------------|---|
| Fall | |
| August 5–September 27, 2024 | Florida Assessment of Student Thinking (FAST) PM1 Grades K–2 FAST English Language Arts (ELA) Reading & Mathematics |
