

A Message from the Principal of SunEd High School of South Broward

Dear Students and Parents,

I wanted to extend a warm welcome to the students of SunEd High School of South Broward and their families. We take pride in the familial school culture we have cultivated with our knowledgeable, caring staff and community partners. Flexibility and years of collective experience of this cohesive team of professional educators are what make SunEd High School of South Broward the best choice for students seeking their high school diploma at an accelerated pace. Over the 5+ years of operation, our graduating class has grown larger each school year, we hope to see *you* at our next graduation ceremony!

Educationally,

Brian Bianco
