- ☑ Sep 26-Oct 10 - Spirit Weeks
- ☑ Sep 02 - Parent Night

PRINCIPAL'S CORNER

Welcome to the 2025-2026 school year at SunEd High School of South Broward! We are very excited to have each and every one of you returning to strive for your graduation goals. Our program which consists of a self-paced option, in addition to the one-on-one and group instruction our teachers offer make a winning combination for students seeking to graduate high school at an accelerated pace. On top of guiding our students to graduation, we have a robust system in place for helping students identify potential career paths after high school, while walking them through first steps. We are also expanding our CTE Academies program which can lead to industry certifications in the areas of nursing, EMT, business and so many more! We encourage our parents/guardians to stay involved, never hesitate to communicate your needs or questions and help us to keep our young people on the path to graduation while they are at home. Together, we can get any SunEd student across the line!
